

CRYPTO TRADES

Functional Documentation

Frontend Documentation

1. Home

In this screen, we listed all product categories at the bottom of the screen. We listed the top 5 collections and their products.. Also the page contain two static block that will explain the NFT life cycle and static banner on home page

The screenshot shows the homepage of the Crypto Trades website. At the top, there is a navigation bar with the logo "CRYPTO TRADES" and links for "Home", "Marketplace", "Activity", and "Login". Below the navigation bar, there is a section titled "Browse By Category" with a sub-section "ellementes mollis magna nec tortor mattis rln quis purus.". There are four main category banners: "Virutual" (featuring a person wearing VR goggles), "Utility" (featuring a car interior and a smartphone), "Trading" (featuring a hand holding a smartphone and a digital interface), and "Sports" (featuring a baseball field and a tennis ball). Below these banners, there are two rows of smaller cards. The top row includes cards for ".NET ORG" and "www.". The bottom row includes cards for "Product 10" (a grey backpack), "Product 9" (a bottle of oil next to green leaves), and "Product 8" (a bottle of juice next to a pineapple and mango slices). A caption below the screenshot reads "Category List in home".

The screenshot shows the homepage of the Crypto Trades website. At the top, there is a navigation bar with the logo "CRYPTO TRADES" and links for "Home", "Marketplace", "Activity", and "Login". Below the navigation bar, there is a section with a "All items" button and five tabs labeled "collection 1", "collection 2", "collection 3", "collection 4", and "collection 5". Below this, there is a grid of three items: "Product 10" (a grey backpack), "Product 9" (a bottle of oil next to green leaves), and "Product 8" (a bottle of juice next to a pineapple and mango slices). Below these items, there are two more rows of cards. The first row includes cards for "Product 7" (a bottle of oil) and "Product 6" (a motorcycle). The second row includes cards for "Product 5" (a bottle of oil) and "Product 4" (a bottle of oil). A caption below the screenshot reads "Item list by top 5 collection".

2. Marketplace

In this screen, we listed all items which are published in the blockchain within the application. Users and guests are able to filter the application by types, price, collection and categories. Also we have a search option to search items by their title and the description.

The screenshot shows the Marketplace page of the Crypto Trades application. At the top, there is a navigation bar with links for Home, Marketplace (which is currently active), Activity, and Login. On the left side, there is a sidebar titled "Filter" containing several filtering options:

- Sort by:** Recent, Most Viewed, Most Liked (selected), On Auction.
- Price:** < 1 ETH, < 10 ETH, < 100 ETH, < 1000 ETH.
- Collections:** (This section is collapsed, indicated by a downward arrow).

The main content area displays four items in a grid:

- Product 7:** Price 0.003 ETH (Image: A small perfume bottle).
- Product 6:** Price 0.05 ETH (Image: A person holding a smartwatch).
- Product 5:** Price 0.01 ETH (Image: A black and orange motorcycle).
- Product 4:** Price 0.005 ETH (Image: Three small figurines).
- Product 3:** Price 0.002 ETH (Image: A camera and various tools).
- Product 2:** Price 0.001 ETH (Image: A backpack).

Marketplace page

3. Activity

In Crypto Trades We have four type of activities

Mint - Item published in blockchain under specific contract address

Bid - If someone bid item with specific price

Transfer - If someone bought item in auction or from direct purchase

Commissions - Royalties detail for owner of collection if transfer made between two different user

Transfer and Mint will have transaction hash to verify the entries in blockchain

Activity						
Collection	Item	Event	Price	From	To	Transaction Hash

7. Profile page

In this screen, users are able to see their profile name, avatar and profile cover. Also if it is the owner of the profile, they are able to change their profile information, cover and avatar. Here is the submenu details in profile page
Collected - In this page, profile user owned item will be listed

Created - In this page profile user created item will be listed

Favorited - In this page profile user liked item will be listed

Activity - In this page profile user activity related item will be listed

Offers - In this page profile user offers related item will be listed

The screenshot shows a user profile page for "Robert Morris". At the top, there's a navigation bar with links for Home, Marketplace, Activity, and a dropdown for "Robert Morris". Below the navigation is a large banner featuring a circular profile picture of a man and the text "Robert Morris" followed by a placeholder address "0x5d...596D". To the right of the banner is a gear icon. On the left, a sidebar titled "Profile Menu" has a back arrow and a list of options: "Collected" (selected), "Created", "Favorited", "Activity", and "Offers". The main content area displays a product card for "Product 10" which is a grey messenger bag with brown leather straps, priced at 0.004 ETH. The background of the page features a blurred landscape image.

Collected items in profile page

The screenshot shows a user profile page for "Admin User". The layout is similar to the previous one, with a navigation bar, a banner for "Admin User" with a placeholder address "0x93...6315", and a sidebar with a "Created" option selected in the "Profile Menu". The main content area shows three product cards: "Product 10" (grey messenger bag, 0.004 ETH), "Product 9" (orange bottles with green leaves, 0.002 ETH), and "Product 8" (pineapple slices and a bottle of juice, 0.01 ETH). The background image is a sunset or sunrise over water.

My collection

The screenshot shows a form titled "Add Your Collection". It includes fields for "Name" (with placeholder "Enter Collection Name"), "Royalties" (with placeholder "Enter Royalties Percentage"), and "Description" (with placeholder "Enter Description"). Below these is a section for "Collection Logo" with a note: "This image will also be used for navigation. 350 x 350 recommended." A placeholder image shows a small icon of a camera or document. A red button labeled "Select Image" is present. At the bottom left is a "Collection Banner" field, and at the bottom right is a "Create collection" button.

9. Collection View Page

In this screen, users are able to see item lists with different types of sorting.
Here is the types

Recent - Show the latest items in the collection

Mint - Show the latest minted item in the collection

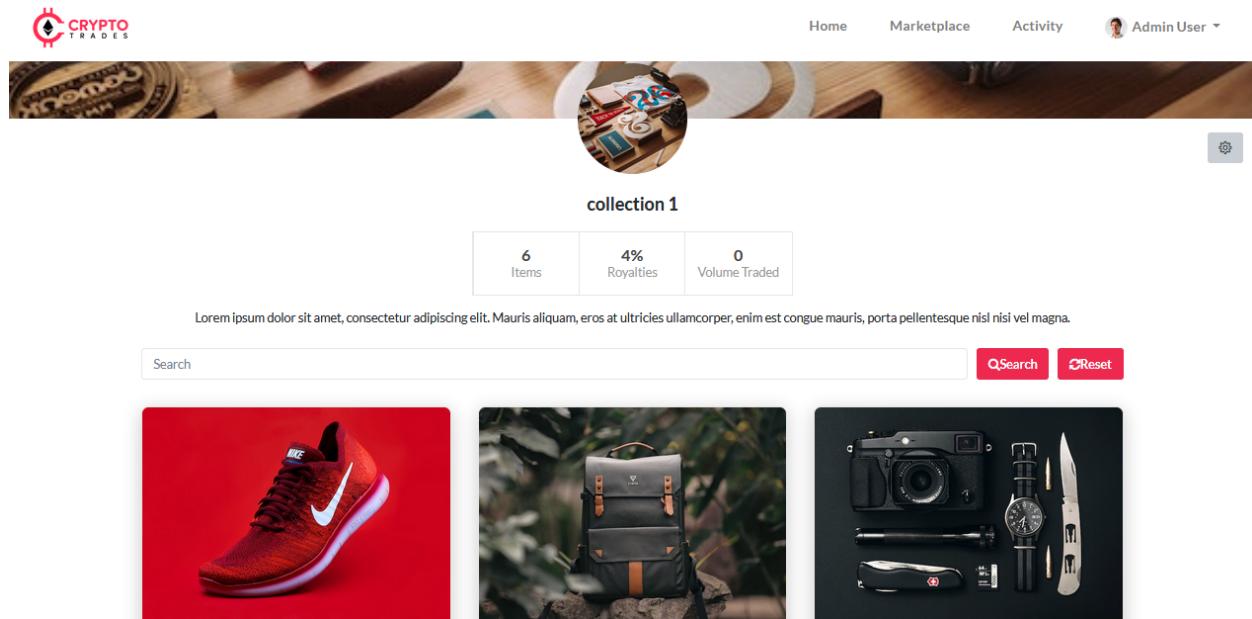

Offer - Show the item which has offer by the collection

The screenshot shows a collection view page for "collection 1". At the top, there's a banner image of various items. Below it is a summary box with "6 Items", "4% Royalties", and "0 Volume Traded". A note below says: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Mauris aliquam, eros at ultricies ullamcorper, enim est congue mauris, porta pellentesque nisl nisi vel magna." A search bar with "Search" and "Reset" buttons follows. Three items are displayed in cards: a red Nike sneaker, a black backpack, and a collection of cameras and knives.

View collection for public

10. Collection Detail Page

In this screen, We are showing all items for the collection owner with add item options. If the collection didn't have any items the owner can able to delete the collection

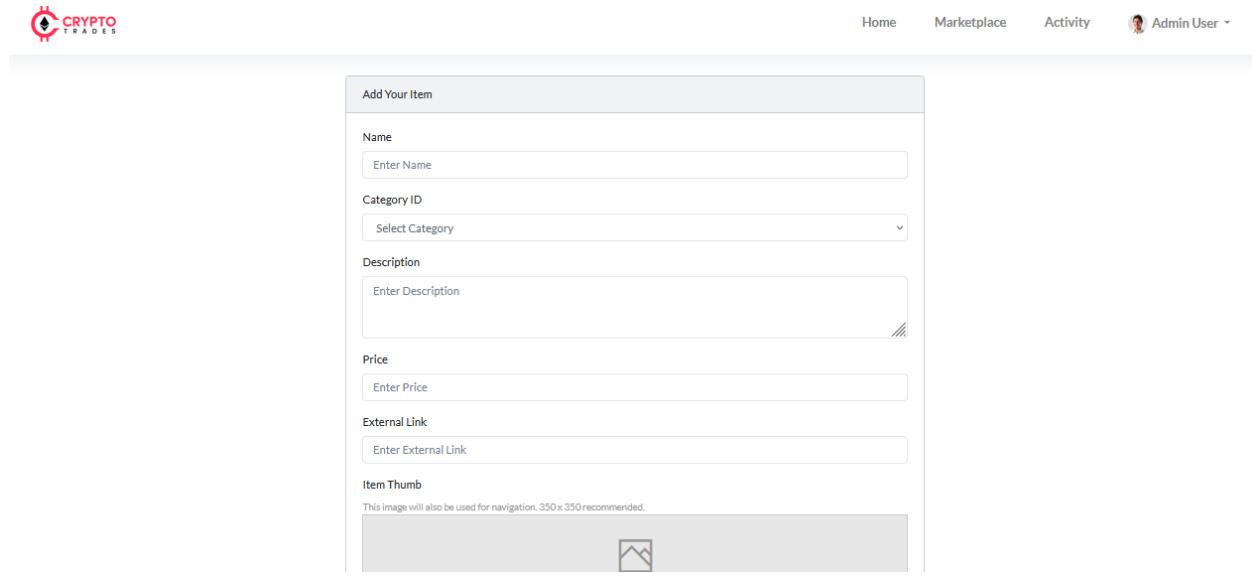

The screenshot shows the 'collection 1' detail page. At the top, there's a navigation bar with the 'CRYPTO TRADES' logo, 'Home', 'Marketplace', 'Activity', and a user profile for 'Admin User'. Below the navigation is a banner featuring a close-up image of a gold coin and a small circular thumbnail of the collection items. The main title 'collection 1' is centered above a summary box. The summary box contains three metrics: '6 Items', '4% Royalties', and '0 Volume Traded'. A descriptive text placeholder 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Mauris aliquam, eros at ultricies ullamcorper, enim est congue mauris, porta pellentesque nisl nisi vel magna.' follows. Below this is a search bar with 'Search' input, 'QSearch' button, and 'Reset' button. Three item thumbnails are displayed: a red Nike sneaker, a grey travel bag, and a collection of vintage cameras and watches.

Item activity by collection

12. Item Detail page

In this screen, We are showing different elements related to the detail page. Here is the details

Product Image - Users can see item preview and able to show full preview in popup

Product Info - Users are able to see the product price, external link, current owner in this section. Users can favourite the item from this sections

Product Description - Users can able to see product description with media link if it is public

Other Info - Users can see other info like properties, stats, leave under product description

Details - In this section user can see the blockchain recorded information like token, contract address

Price History - Users can see price history of item on transfer

Offers - All active offers will show in that block and user can make offer from the block

Transaction history - All activity related to the product will listed in the section

More items from the collection - In this area user see item from same collection

The screenshot shows a product page for a red Nike sneaker. At the top, there's a navigation bar with the logo 'CRYPTO TRADES', 'Home', 'Marketplace', 'Activity', and a user profile 'Admin User'. Below the navigation is a large image of the red sneaker on a red background. To the right of the image, the word 'Virtual' is displayed. Underneath the image, the product name 'Product1' is shown, along with the text 'Owned by Admin User' and '1 Views'. Below this, there's a section titled 'Price History' with a table showing one entry: Price 0.01, User admin user, and Created Date July 26, 2021.

Product image and info section

The screenshot shows a product image popup for the red Nike sneaker. The main image is a larger, more detailed view of the shoe on a red background. Below the main image, there are two smaller tabs: 'Description' and 'Offers'. The 'Description' tab is currently active, indicated by a grey background. The 'Offers' tab has a white background. In the bottom right corner of the main image area, there is a close button represented by a white 'X'.

The screenshot shows a user's profile page with two main sections. The top section, titled "Trade History", displays a table with one row of data:

Event	Price	From	To	Transaction Hash	Created Date
minted	0.01 ETH		admin user	Oxdb61a0db2ef7cc3e9773a57f2e9bd24055927cb1a618537675b2c61dbab9d75d	July 26, 2021

The bottom section, titled "More from this collection", shows four items with images and details:

- Product 6**: Price 0.05 ETH
- Product 5**: Price 0.01 ETH
- Product 4**: Price 0.02 ETH
- Product 2**: Price 0.02 ETH

A "View Collection" button is located at the bottom of this section.

Trading history and items from the same collection

13. Settings page

In this screen, We are showing different elements related to logged users
Here is the details

Wallet - In this section we show user current ethereum address and user can able to send wallet amount to other ethereum address

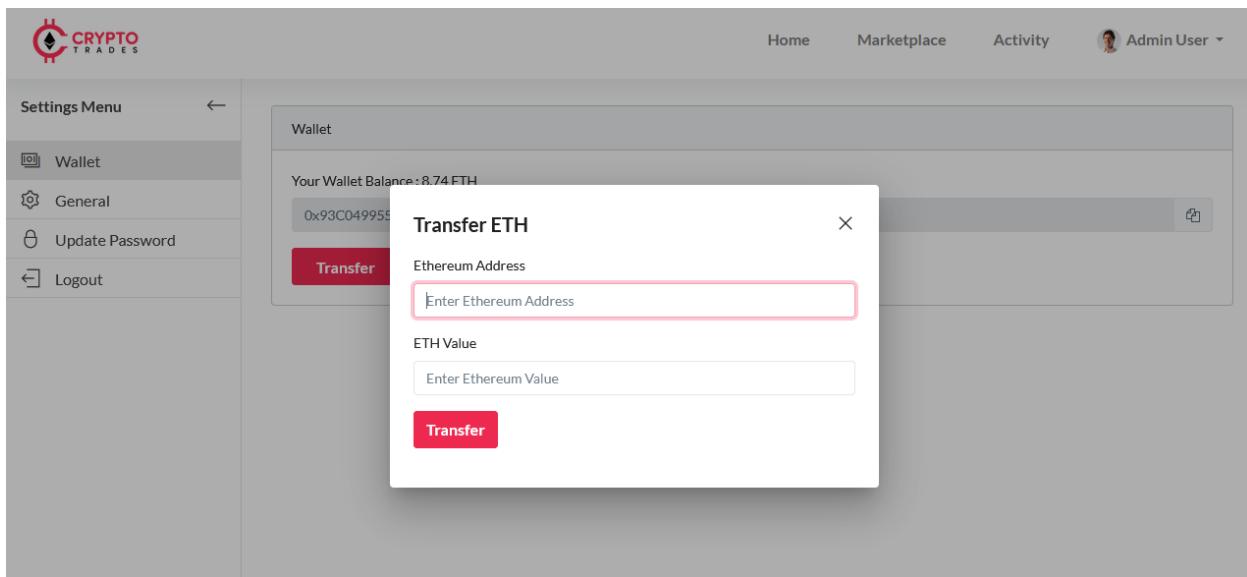

General - In this section user can able to update their profile information

Update password - In this section user can able to update their new password

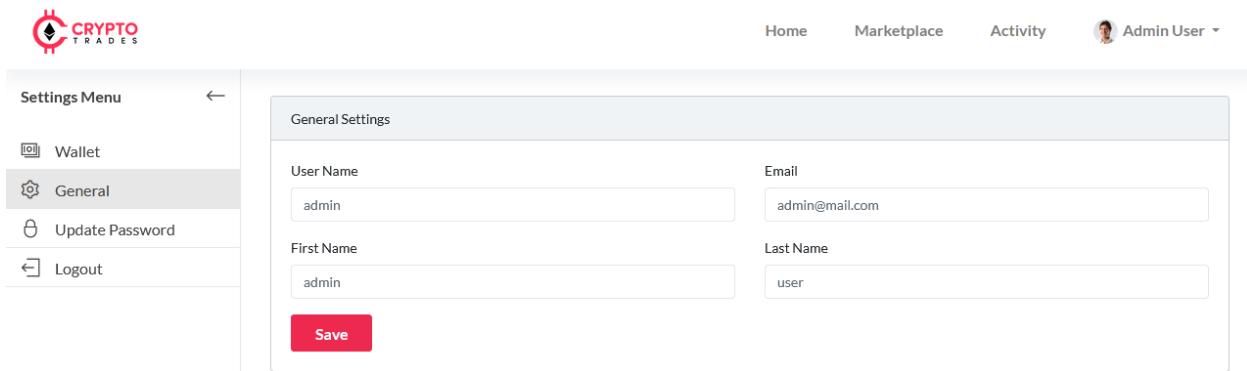

Logout - If user click the button , they will be log out from the application

The screenshot shows the "Settings Menu" with the "Wallet" option selected. The main content area is titled "Wallet" and displays the user's wallet balance: "Your Wallet Balance : 8.74 ETH" followed by the address "0x93C04995533765c5689F60B64d0d69360F566315". A "Transfer" button is visible at the bottom of this section. The top navigation bar includes links for Home, Marketplace, Activity, and Admin User.

Admin Panel Documentation

1. Login page

In this screen, If a user already has an account they are able to sign in with their email and password. User who have admin role only able to create session in admin panel

Login page

2. Users

In this screen, the admin can see the user list and have the option to add a new user, edit user, ban user, view user. User list shown by recent order.

The screenshot shows the 'User List' page of the 'CRYPTO TRADES' application. On the left is a dark sidebar with navigation links: 'Users', 'Collections', 'Items', 'Categories', 'Activities', and 'Offers'. The main area has a header 'Home / Users List' and a sub-header 'User List'. It features a search bar with 'Search' and 'Reset' buttons, and a 'Add User' button. A table lists four users with columns: 'Image', 'Username', 'First name', 'Last name', 'Email', 'Status', and 'Action'. Each user row includes a small profile picture, their username, first name, last name, email address, status (Active), and three action icons (edit, delete, view).

Image	Username	First name	Last name	Email	Status	Action
	QRgXidhxNv	Jaya	Kumar	jaya.micr13@gmail.com	Active	
	QkdnsTiuSr	Devi	Pandiarajan	devip1901@gmail.com	Active	
	Rebecca	Rebecca	Smith	rebecca@email.com	Active	
	Robert	Robert	Morris	robert@email.com	Active	

User list

The screenshot shows a 'Confirmation' dialog box centered over the 'User List' page. The dialog asks 'Are you sure to block this user?'. It has 'Cancel' and 'Confirm' buttons. The background page is identical to the one above, showing the user list with the same four entries.

8. Settings

In this screen, admin can update the commission value in (%) which is to be detected on each transaction.

The screenshot shows the 'Settings' page of the 'CRYPTO TRADES' application. At the top left is the logo and a navigation bar with a user icon and three horizontal dots. On the far right is a user profile picture. A sidebar on the left contains links: 'Users', 'Collections', 'Items', 'Categories', 'Activities', 'Offers', and 'Settings'. The main content area has a breadcrumb navigation 'Home / Settings'. It features a 'Settings' header and a single input field for 'Admin Commission' with the value '3'. A red 'Save' button is at the bottom.
